

TAPAN'S MISSION

The Texas Association of Perianesthesia Nurses, as a component of the American Society of Perianesthesia Nurses, advances nursing practice through education, research, and standards.

TAPAN 's History

The Texas Association of Post Anesthesia Nurses was formed in 1976. The organization became incorporated on April 2, 1984, as a nonprofit corporation, and as such the organization provides opportunities for its members to receive educational scholarships for seminars. On March 24, 1996, the TAPAN Board met and adopted a resolution to change the name of the organization from the Texas Association of Post Anesthesia Nurses to the Texas Association of PeriAnesthesia Nurses.

TAPAN is the winner of the Prestigious ASPAN Gold Leaf Award. We are the only Component to win this 5 times.
